Effort is being made to make an annual ball here the chief entertainment every season.

An early stage of education is represented in a copy of Henry VIII's English primer, printed in 1546 and owned by Mr. Plimpton.

Kings Before Southern Society.
Richmond people have been delighted to hear of the success of Miss Polly Robins at her first concert, which took place Monday evening in East Orange, N. J., before the Southern Society of New York. The critics of several New York papers were most favorable in their comments on her voice and the reception accorded her last Monday night, and predict a great future for her.
